What do you like about Toe Stoppers?

<p>They give me a bit more confidence when a horse is nervous, before toe stoppers I used to throw my stirrups, due to a fear of being dragged, no longer do I feel the need to throw them when I am using toe stoppers</p>

<p>Are you aware of the danger of being hooked up and dragged? YES <input checked="" type="checkbox"/> NO <input type="checkbox"/></p>	<p>Have you ever been hooked up or dragged? YES <input type="checkbox"/> NO <input checked="" type="checkbox"/></p>
--	---

Do you know of a rider who has been hooked up or dragged? Please briefly mention the incident.

<p>I have heard about stories of people being dragged, but I have been lucky enough to never have experienced such an incident 1st hand.</p>
