Have your rider's feet stop slipping forward on the irons? YES NO Is it easier and safer to teach with Toe Stoppers? YES NO

What do you like about Toe Stoppers?

- When teaching beginners it takes a lot of worry away to know they are safe.

- It helps rider maintain the correct lower leg position.

Are you aware of the danger of being hooked up and dragged? YES NO Have you ever been hooked up or dragged? YES NO

Do you know of a rider who has been hooked up or dragged? Please briefly mention the incident.

Seen a young girl fracture tib/fib, after a fall + drag in a barrel race at pony club. As a student radiographer have seen many multiple traumas as a result of being dragged. (about 80)
