Dear Adrian Morgante

That number is correct but I'm in Thailand at the moment.

I been use it for a bit, it very good it make my toes not go to far in an iron and also help me to put the weight down to the heal that is most beautiful thing about it, I think because that make my aids of my lower legs more steady firm and smoother. i like it more than i thought!

I have to thank you for introduce me this product, it wonderful.
