Track condition	<input checked="" type="checkbox"/> Good	<input checked="" type="checkbox"/> Fair	<input type="checkbox"/> Poor

What I liked about the Toe Stoppers Holds toe in correct position in the stirrups, Great Safety Idea! More comfortable with each use.

What I didn't like about the Toe Stoppers Rubbed one hole in trackwork - could easily prevent this in future though.

Other: Do you believe if the Track Toe Stoppers were made compulsory they could prevent riders from being hooked up and dragged, therefore reducing injuries and deaths? yes  no

Other: Would you use the Race Toe Stoppers in races if you were given a weight allowance incentive yes  no

Other: Should jockeys be given a Toe Stopper weight allowance if it could save them from being hooked up or dragged causing serious injuries or death yes  no

Other: If available would you wear the Toe Stoppers every time you ride? yes  no   
need to be more to say, but quite possibly yes.

Other: Have you been dragged or hooked up before or are you aware of a rider being hooked up or dragged. Please briefly mention the incident.
