Fair

Poor

What I liked about the Toe Stoppers

THESE TOE STOPPERS ARE GREAT FOR BALANCE, SUPPORT AND ALSO PROTECTION

What I didn't like about the Toe Stoppers

CANT SAY ANYTHING ABOUT DISLIKING THEM

Other: Do you believe if the Track Toe Stoppers were made compulsory they could prevent riders from being hooked up and dragged, therefore reducing injuries and deaths? yes no

Other: Would you use the Race Toe Stoppers in races if you were given a weight allowance incentive yes no

Other: Should jockeys be given a Toe Stopper weight allowance if it could save them from being hooked up or dragged causing serious injuries or death yes no

Other: If available would you wear the Toe Stoppers every time you ride? yes no

Other: Have you been dragged or hooked up before or are you aware of a rider being hooked up or dragged. Please briefly mention the incident.

HAD A LITTLE ACCIDENT ~~BEFORE~~ AND GOT DRAGGED IF THESE TOE STOPPERS WERE AROUND AT THE TIME IT WOULD NEVER WOULD OF HAPPENED
