**What I liked about the Toe Stoppers**

The comfort of knowing your foot cant slip through. The also give you more power to drive the horse forward and more confidence riding.

**What I didn't like about the Toe Stoppers**

There was nothing not to like about the toe stoppers there a good thing

**Other:** Do you believe if the Track Toe Stoppers were made compulsory they could prevent riders from being hooked up and dragged, therefore reducing injuries and deaths? yes  no

**Other:** Would you use the Race Toe Stoppers in races if you were given a weight allowance incentive yes  no

**Other:** Should jockeys be given a Toe Stopper weight allowance if it could save them from being hooked up or dragged causing serious injuries or death yes  no

**Other:** If available would you wear the Toe Stoppers every time you ride? yes  no

**Other:** Have you been dragged or hooked up before or are you aware of a rider being hooked up or dragged. Please briefly mention the incident. yes i have at track work
