**Subject:** Re: Universal Toe Stoppers

Hi Adrian,

The new universal toe stoppers are great.

I am also using them at Pony Club for the kids and for new recruits at the Mounties.

I have been extra busy because I am also working for the Australian Federal Police and helping them start up a Ceremonial Mounted Unit.

I am testing their new rider's and will be using and recommending the use of toe stoppers for their new recruits.

Regards

Karen Owen
