Dear Adrian

**Re: Compulsory use of Toe Stoppers**

I wish to confirm my commitment to the use of Toe Stoppers within the David Hayes Racing Stables, both in South Australia and Victoria.

Commencing Tuesday 13<sup>th</sup> June 2006, it will become compulsory for all riders employed by me to use Toe Stoppers.

The use of Toe Stoppers within my business will prevent injuries to my staff by eliminating the possibility of getting a foot caught in the stirrup iron if a rider happens to become dislodged.

Yours faithfully

David A Hayes  
Trainer & Business Principal
