What I liked about the Toe Stoppers				
<u>More confident, more balanced</u>				
Other: Do you believe if the Track Toe Stoppers were made compulsory they could prevent riders from being hooked up and dragged, therefore reducing injuries and deaths? Yes <input checked="" type="checkbox"/> No <input type="checkbox"/>				
Other: Would you use the Race Toe Stoppers in races if you were given a weight allowance incentive Yes <input checked="" type="checkbox"/> No <input type="checkbox"/>				
Other: Should jockeys be given a Toe Stopper weight allowance if it could save them from being hooked up or dragged causing serious injuries or death Yes <input checked="" type="checkbox"/> No <input type="checkbox"/>				
Other: If available would you wear the Toe Stoppers every time you ride? Yes <input checked="" type="checkbox"/> No <input type="checkbox"/>				
Important: Have you been hooked up in the stirrup iron or dragged before or are you aware of a rider being hooked up or dragged. Please briefly mention the incident.				
<u>Hooked up once</u> <u>Seen a handful of others get hooked up</u>				
Do you have a suggestion how Toe Stoppers could be improved.				
<u>Not really. Just molded to iron better.</u>
