What I liked about the Toe Stoppers

Made me ride on ball of ~~foot~~ foot & keep heel down.

Other: Do you believe if the Track Toe Stoppers were made compulsory they could prevent riders from being hooked up and dragged, therefore reducing injuries and deaths? (Mark Yes No)
Don't know need to see a few people fall off (not me!)

Other: Would you use the Race Toe Stoppers in races if you were given a weight allowance incentive
 Yes No

Other: Should jockeys be given a Toe Stopper weight allowance if it could save them from being hooked up or dragged causing serious injuries or death
 Yes No

Other: If available would you wear the Toe Stoppers every time you ride? Yes No
have not used them enough to say

Important: Have you been hooked up in the stirrup iron or dragged before or are you aware of a rider being hooked up or dragged. Please briefly mention the incident.

Self - Irons
 Friend - Horse stopped at jump fell off near side, off side foot & leg hooked over saddle
 Jockeys in Races

Do you have a suggestion how Toe Stoppers could be improved. Not yet!!!
