What I liked about the Toe Stoppers  
SAFETY. KEEP FEET WARM IN WINTER.

What I didn't like about the Toe Stoppers  
IF A RIDER IS PRONE TO CAUSE A 1300 LB ON A HORSE, STOPPER MAKES IT WORSE.

Other: Do you believe if the Track Toe Stoppers were made compulsory they could prevent riders from being hooked up and dragged, therefore reducing injuries and deaths? yes  no

Other: Would you use the Race Toe Stoppers in races if you were given a weight allowance incentive yes  no  N/A.

Other: Should jockeys be given a Toe Stopper weight allowance if it could save them from being hooked up or dragged causing serious injuries or death yes  no

Other: If available would you wear the Toe Stoppers every time you ride? yes  no

Other: Have you been dragged or hooked up before or are you aware of a rider being hooked up or dragged. Please briefly mention the incident.

OUR TRACK WORK RIDER HAS BEEN DRAGGED IN SAFETY IRONS.
