What I liked about the Toe Stoppers

Improved my balance and I felt safer

What I didn't like about the Toe Stoppers

Other: Do you believe if the Track Toe Stoppers were made compulsory they could prevent riders from being hooked up and dragged. therefore reducing injuries and deaths? yes  no

Other: Would you use the Race Toe Stoppers in races if you were given a weight allowance incentive yes  no  Trade rider only

Other: Should jockeys be given a Toe Stopper weight allowance if it could save them from being hooked up or dragged causing serious injuries or death yes  no

Other: If available would you wear the Toe Stoppers every time you ride? yes  no

Other: Have you been dragged or hooked up before or are you aware of a rider being hooked up or dragged. Please briefly mention the incident.

I haven't, yes I have seen someone dragged and I didn't like what I saw.
